

Topaz are delighted to announce that they will be hosting a workshop entitled **'Opposites can attract'**. The workshop will explore how credit management and customer service can both be addressed as one – reducing debtor days and managing risk whilst significantly improving levels of customer service.

Topaz have a proven track record of providing market leading financial accounting software solutions with a focus on credit control. Already well established in a variety of vertical markets including recruitment, manufacturing, logistics, financial services, education and warehousing/distribution, Topaz have an enviable long standing relationship with their clients, evidence of the highest possible levels of customer service along with feature rich software with proven ROI's.
